

Lucille's

All of our food is made to order, home fresh. They're prepared old school – the way Lucille loves, and the way it's been done for years.

Our signature milkshakes are hand dipped as well as craftily prepared at the front of the store.

Our ingredients are all fresh off the farm, grown locally here in Kansas. From our hand-breaded tenderloin to our fresh cut fries, everything is tested and Lucille approved.
